Dear Prospective Sponsor,

Coastal Sparks Netball Club, strives to provide opportunities for every young athlete in our community to participate in a developmental netball club, striving for a healthy, safe, inclusive, fun, competitive and family orientated environment. The club is managed by dedicated volunteers, all of who tirelessly provide their skills, experience, time and assistance to ensure the club can offer development, friendship and opportunity .

As we are a local community sports club, our major source of revenue is generated from membership fees and donations received from generous individuals & businesses. These funds are then reinvested into the club for the benefit of all members.

We started the club in 2020 with four teams competing at Wanneroo Districts Netball Association. We currently have 13 teams and growing. Amid season, sees all our teams performing at a high standard and we can foresee all four teams with the potential of making finals. We have been very successful with a number of our younger players being selected to represent WDNA at the recent 'Fuel to Go and Play Association Championships'.

We will look to expand slightly next year, with more athletes that have potential and the desire to develop to begin the netball pathway.

I look forward to hearing from you.
Kind regards,

Julie Hynes
